THE HEALTH CENTER

The Health Center at Mt. San Antonio Gardens, a nationally recognized, accredited Life Care community, provides a caring environment for people requiring short-term rehabilitative therapy as well as those with ongoing medical conditions or disabilities.

CARING

The experienced professional staff of the Health Center delivers personalized, 24-hour care and assistance in a friendly and comfortable atmosphere that respects the privacy and dignity of each resident and encourages the involvement of family members. Attentive management of the Health Center assures that all residents receive the individual attention they deserve.

"All of the staff members were courteous, intensely caring, able to laugh about life and had a quiet, relaxed solidity about them..."

- Daughter of resident

WHOLE PERSON APPROACH

Professional care-givers and volunteers utilize a "whole person" approach to health and wellness. With 24-hour licensed skilled nursing care, a state-of-the-art physical therapy program and the opportunity for stimulating social interaction as part of the Gardens' vibrant community, residents are helped to achieve their highest level of functional independence.

Conveniently located near the 10, 210 and 57 freeways, the Health Center at Mt. San Antonio Gardens has long-established relationships with local hospitals, managed care organizations, physician groups, medical centers and senior care referral networks.

*"Everyone we met on our walks talked to my mother."
